- HO CHI MINH CITY STOCK EXCHANGE

Hoang Anh Gia Lai Joint Stock Company (“the Company”, “HAGL”) would like to extend warm greetings to the agencies

Pursuant to Decision No. 224/QĐ-SGDHCM dated April 20, 2021 of Ho Chi Minh City Stock Exchange (“HOSE”) on shifting stocks of Hoang Anh Gia Lai Joint Stock Company (stock code: HAG) from warning to controlling category on the grounds that Profit after tax of the parent company’s shareholders in 2020 and undistributed after-tax profit as at December 31, 2020 are negative.

However, based on the Consolidated Financial Statements of Quarter II /2022 disclosed on 30/7/2022, so far the Company has temporarily rectified the cause for the Company's stocks under controlling category, specifically as follows:

- Profit after tax of the parent company’s shareholders in the first half of 2022: **VND 522 billion.**
- Undistributed after-tax profit as of June 30, 2022: - **VND 3,946 billion.**

And, the following favorable factors, the Company believes, make it possible to yield positive results:

1. The Company's banana selling price is about to enter the yearly cycle of highest price starting from September;
