DISCLOSURE
**UPDATING THE OPERATION ACTIVITIES IN JANUARY &
FEBRUARY OF 2024**

Hoang Anh Gia Lai Joint Stock Company ("the Company") would like to extend warm greetings and best wishes to the shareholders and investors.

The Company would like to present the results of the operation activities in January & February of 2024 with details as follows:

- a. **Net revenue: VND 3,147 billion**, in which:
- b. Fruits: VND 630 billion
Livestock: VND 201 billion
Supporting sector: VND 212 billion
- c. **Consumption by sector:**
- d. Fruits: 74,459 tons
Livestock: 40,288 meat pigs

Revenue from the banana sector increased as the Company has expanded the cultivation area, resulting in higher banana output for sale, bringing in an excess of 55% in revenue against the same period in 2023. For the livestock sector, due to the consumption market price in 2023 remained low, so the Company planed no increase in the herds, leading to revenue in the first 2 months of 2024 not so good as expected. However, the total net revenue of the entire business sector in the first 2 months of 2024 reached VND 1,043 billion, still equivalent to the that of the same period in 2023.

Above are all updates concerning the Group's operation and business results that the Group has reached in January & February of 2024.

With kind regards,
